ORDER

FILED

FEB 22 2007

NANCY MAYER WHITTINGTON, CLERK  
U.S. DISTRICT COURT

The following is, hereby, **ORDERED**:

1. The government will retain the firm of Lockheed Martin, 1126 16<sup>th</sup> Street, N.W. Suite 500, Washington, D.C. 20036, 301-519-5993 (contact person is David Clemens) to copy and Bates stamp the paper documents. Per the order of Judge Hogan, an FBI agent will be present during the copying and stamping. In addition, the government will notify counsel for Congressman Jefferson in advance of the scheduled copying and stamping so that they may send representatives to observe the process if they so chose.
2. The government will deliver the hard copies of the paper documents to counsel for Congressman Jefferson at 9:00 a.m. on Tuesday, August 22, 2006.
3. The government will retain the firm of Stroz Friedberg, LLC, 850 Northstar Center West, 625 Marquette Avenue South, Minneapolis, MN 55402, 612-605-3010 (contact person is Scott K. Larson) to oversee the copying of the computer files and to conduct the search for the terms listed in the warrant.
4. The firm of Stroz Friedberg is to make, forthwith, a mirror image of the hard drive, of the computer in question so that it is preserved in its present format

without addition, modification, or deletion.

5. The firm of Stroz Friedberg is also, after studying the computer files, to make a recommendation as to what type of conversion may be required so that the data will be searchable by commercial software that is Windows-compatible and provide its recommendation in writing to the Court and the parties as to what conversion process is preferable. The court will then convene, either in person or over the phone, a brief status to determine how best to proceed.

**SO ORDERED.**
